

Our Mission

Our primary objective is to respond to life's struggles by providing counsel based on God's healing truth.

At the Center, we provide counsel, support, education, and discipleship to the Christian community for the glory of the Father.

At the Center, we are committed to the foundation of Biblical principles for all counseling, training, and guidance provided by our counselors. God's Word is the primary source of insight and wisdom concerning people's lives and relationships. It is also our means of finding His healing truth for hurting people.

All Scripture...is useful for teaching, rebuking, correcting, and training in righteousness - so that the man of God may be equipped for every good work. 2 Timothy 3:16-17
